Notice to Affected TelCove Investment, LLC and TelCove Operations, Inc. Customers

Thank you for choosing TelCove as your telecommunications provider. TelCove Investment, LLC (“TelCove Investment”), TelCove Operations, Inc. (“TelCove Operations”) and TelCove Pennsylvania, Inc. (“TelCove Pennsylvania”) are pleased to announce that TelCove Pennsylvania will be acquiring the telecommunications customers of its sister companies, TelCove Investment and TelCove Operations, in Pennsylvania. The actual effective date of the transfer will depend on when we receive the appropriate state and federal regulatory approvals. TelCove Pennsylvania will automatically become your telecommunications provider for your services at that time.

We want to assure you that the transaction will not affect the price of the services you currently receive and that you will continue to receive TelCove services, without interruption, at the same rates and with the same features, terms and conditions as the service you enjoy today.

The transaction has been structured such that customers should not be charged any carrier-change charges levied by your local telephone company. If, however, such a charge does appear on the bill from your local telephone company as a result of this transfer of service to TelCove Pennsylvania, please call TelCove Pennsylvania’s customer service department toll-free at 1-866-Telcove (835-2683) and a representative will reimburse you or credit your account accordingly. You may also call the customer service department if you have any service orders or complaints up until the time the transfer takes place. You may, of course, choose another carrier for your telephone service, but additional charges may apply including any termination liability in your contract.

Please note that any “freeze” you have placed on your existing telephone lines to prevent unauthorized transfer to another long distance carrier will be overridden for purposes of this transaction, and will need to be reinstated by you after the transfer is complete. Your TelCove Pennsylvania customer care representative can provide you with further details.
